### **Love and Sacrifice: The Enduring Bonds of the Heart**

Love is an overarching theme in both *Evertrue* and *Everneath*, taking on many forms and complexities. The central love story follows Nikki and Jack Cross, a young man who has been trapped in the Everneath for centuries. Their bond is both passionate and heartbreaking, as they navigate the obstacles that keep them apart. Ashton's portrayal of love is multifaceted, encompassing the joy, pain, and sacrifices that come with it.

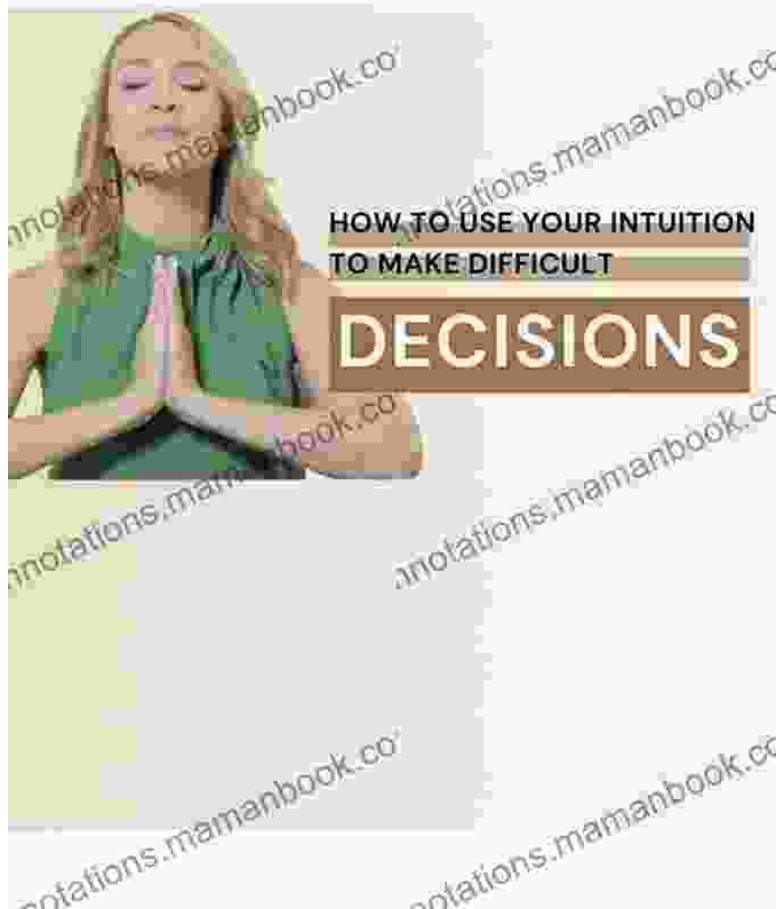

Beyond Nikki and Jack's love, Ashton also explores the bonds between family and friends. Nikki's relationship with her sister, Brianna, becomes a source of strength and support as she faces the challenges of the

Everneath. The loyalty and sacrifice that Brianna demonstrates highlight the transformative power of familial love.

### **The Power of Choice: Defining One's Destiny**

As Nikki and Jack's story unfolds, a central theme of choice emerges. The characters are constantly faced with decisions that will shape their destinies. Nikki must choose between her love for Jack and her desire to return to the living world. Jack must confront the guilt and sorrow that have haunted him for centuries. Ashton invites readers to contemplate the weight of their own choices and the consequences that follow.

The concept of choice extends beyond the individual characters. In the Everneath, the Reapers have the power to alter the course of fate. Their decisions, influenced by their own biases and desires, have a profound impact on the lives of those they encounter.
