

Light of the Jedi: The High Republic Star Wars

Light of the Jedi is the first book in the High Republic era of Star Wars, a new era set 200 years before the prequel trilogy. The book follows the Jedi as they investigate a mysterious disaster that has befallen the Starlight Beacon, a space station that serves as a symbol of hope and unity in the Republic.

The High Republic era is a time of peace and prosperity for the Galactic Republic. The Jedi are at the height of their power, and they are committed to maintaining peace and justice throughout the galaxy. However, a new threat emerges when the Starlight Beacon is destroyed, killing hundreds of people.

The Jedi are tasked with investigating the disaster and finding out who is responsible. They soon discover that the disaster was no accident, but an act of sabotage. The Jedi must race against time to find the saboteurs and stop them from carrying out their plans.
