

Spelling for the 2024 Tests: CGP KS2 English SATS Revision

The Key Stage 2 (KS2) English SATs are a set of standardized tests that are taken by pupils in England at the end of Year 6. The tests are designed to assess pupils' progress in English and to provide information to schools and parents about pupils' strengths and weaknesses. The spelling, punctuation and grammar (SPaG) test is one of the four KS2 English SATs, and it is worth 50% of the overall English SATs score.

The 2024 KS2 English SATs will be the first to be based on the new national curriculum for English, which was introduced in September 2014. The new curriculum has a greater emphasis on spelling, punctuation and grammar, and the 2024 tests will reflect this.
