Rachel has always been different. She sees things that other people don't, and she has a vivid imagination. But when she starts seeing visions of a man she doesn't know, she begins to wonder if she is losing her mind.

Desperate for answers, Rachel seeks the help of Dr. Becker, a psychiatrist who specializes in treating patients with unusual experiences. Dr. Becker believes that Rachel is not delusional, and he helps her to uncover the truth about her past.

As Rachel digs deeper, she learns that she is a twin. But she was not raised with her other sibling. In fact, her twin was adopted by another family. Rachel sets out to find her long-lost twin, and she soon discovers that her sister is in danger.

The Third Twin is a twisty and suspenseful thriller that will keep you on the edge of your seat. With its complex characters and unexpected plot twists, this novel will leave you breathless.
